February 13, 2025

Dear Community Representative:

Thank you **Londontowne** for past participation in Anne Arundel County's Community Clean-Up program.

For calendar year 2025, we have tentatively scheduled a dumpster to be delivered during the morning of **_08/19/25_** and removed by no later than 12:00 pm on **_08/21/25_**. To help ensure this year's event is a success, please distribute the enclosed Community Clean-Up Guidelines to all community members.

Please note that many of the items' residents dispose of during Community Clean-Up events can be more efficiently managed through the weekly Curbside Collection program. Please refer to the enclosed CURBSIDE COLLECTION OF BULK ITEMS flyer or visit [Curbside Collection Services](#) for more information.

If your neighborhood has determined the once-a-year Community Clean-Up program is still needed, please complete and return the enclosed Program Agreement and Contact Information forms by **March 15, 2025** to reserve your community's event.

For questions or concerns, please contact Ms. Carolyn Onley pwonle24@aacounty.org
410-222-3726.

Sincerely,

Anita Grayson-Evans
Community Services Manager

**COMMUNITY CLEAN UP PROGRAM
GUIDELINES**

COUNTY RESPONSIBILITIES

1. Deliver the dumpster between 7:00 am and 12:00 noon on the first day of the Clean-Up.
2. Remove the dumpster immediately if it is overloaded or contains unacceptable material, as listed on the Unacceptable Materials sheet.
3. Remove the dumpster between 7:00 am and 12:00 noon when it is full or on the last day of the Clean-Up, whichever occurs first.

COMMUNITY RESPONSIBILITIES

1. SELECT A REASONABLE LOCATION FOR THE COMMUNITY CLEAN-UP.

The selected location must allow access by a very large truck, including room to turn around. Very narrow roads, low bridges or overhead wires will present problems. Areas that become muddy when it rains will also cause problems. We cannot place a dumpster on public roads, thoroughfares, cul-de-sacs, parking areas or in any other location that might impede traffic. The property that will be used for the Community Clean-Up may suffer minor damage (wheel tracks, ruts, dead vegetation, etc.) from delivering and picking up the dumpster, and by people unloading waste. The community is responsible for making any arrangements with the property owner.

2. MONITOR THE DUMPSTER.

The community must ensure that the dumpster is not overloaded (material sticking out of the top or preventing the door from closing) and that no unacceptable material is placed in them. If the dumpster is not properly monitored, the community will be removed from the program.

3. REMOVAL OF UNACCEPTABLE OR REMAINING MATERIAL.

Removal of any unacceptable material placed in the dumpster, or left after the Clean Up is over, will be the responsibility of the community. If a dumpster is loaded with unacceptable material, the community will be removed from the program.

4. PROVIDE TRAFFIC DIRECTION DURING THE CLEAN UP, IF NECESSARY.

5. REPORTING FULL A DUMPSTER OR PROBLEMS TO THE COUNTY.

The designated community representative should call our Customer Service Department at (410) 222-6100, 7:30 am - 4:00 pm, Monday - Friday, to report problems with your dumpster. If the dumpster is full, please close the door, and it will be removed immediately.

CURBSIDE COLLECTION OF BULK ITEMS

Large Plastic Items:

Large plastic items such as children's toys and playsets can be recycled. The items should be placed next to your recycling container(s) with other paper, plastic, metal and glass recyclables on your collection day.

Large Metal Items and Refrigerated Appliances:

Large metal items and [appliances](#), like washers, dryers, refrigerators and lawn mowers, can be recycled. Call Customer Service at [\(410\) 222-6100](#) to schedule a collection or [schedule online](#). Metal items that will fit in your vehicle should be brought to one of our recycling centers for recycling.

Call [\(410\) 222-6100](#), Monday through Friday, between 7:30 a.m. and 4 p.m. to schedule large metal item collection.

- Items must be ready at the curb by 6 a.m. on the scheduled collection day.
- Cancellations must be received 48-hours prior to the scheduled collection date.
- Only those items specifically requested for collection will be picked up.
- Be sure items are not obstructed by vehicles, fences, or other structures.

Large Trash Items:

[Bulk trash items](#) like, sofas, mattresses, tables, and rolls of carpet are typical trash examples that do not fit into containers. The items should be placed next to your trash container(s) on your collection day.

Please set out only three items at a time on your weekly collection day. Do not place wood and lumber or building and construction materials for collection as bulky trash. These items are not collected curbside.

Please consider donating your usable items to a charitable organization. Some organizations offer free collection for items in good condition. View the [Reduce & Reuse](#) page for details.
